

General Terms and Conditions (GTC) for Participation in Butcher Worx 2027

1. Event Information

Butcher Wars Deutschland UG, Frühlingsstraße 63, 22525 Hamburg, Germany (hereinafter the "Organiser"), organises the "Butcher Worx" competition as part of the BBQ Days on 17 and 18 April 2027 at Messe Stuttgart.

2. Competition Content

The competition consists of boning, trimming, processing and presenting ready-to-sell a pork centre cut (a chop with belly and tenderloin) within 25 minutes. Fillings, seasonings and decorations may be brought to the competition prepared in advance.

3. Participation and Entry Fee

3.1 Registration takes place via the Organiser's website. By registering, the participant agrees to pay an entry fee of EUR 139. Payment is made exclusively via the website and the payment service provider PayPal.

3.2 The entry fee is non-refundable. This does not apply insofar as the Organiser cancels the event or makes material changes to it; in such cases the entry fee will be refunded to the extent the Organiser is responsible for the cancellation or change.

3.3 There are two competition categories: the Junior Champion is open exclusively to participants up to 23 years of age. The Overall Champion is open to all participants, including those up to 23 years of age.

3.4 The pork centre cut is provided by the Organiser. After the competition, the finished competition piece becomes the property of the participant.

4. Participants Under 18 Years of Age

Participation by persons under 18 requires the written consent of a parent or legal guardian. This must be submitted before the competition. Without consent, participation is excluded.

5. Image and Sound Rights

5.1 The participant consents to photo and sound recordings made in connection with the competition being created, stored and published by Butcher Wars Deutschland UG for reporting and self-promotion purposes.

5.2 Consent is voluntary and may be withdrawn at any time with effect for the future by email to butcherwars@gmail.com. Withdrawal does not affect the lawfulness of processing carried out before the withdrawal.

5.3 Consent to image and sound recordings must be given separately from acceptance of these GTC.

6. Documentation Requirements

6.1 Each participant must provide a copy of their current certificate of the instruction pursuant to § 43 of the German Infection Protection Act (IfSG) and, where applicable, the consent pursuant to section 4.

6.2 All required documents must be verifiable before the competition begins. Participants who cannot provide these documents are excluded from participation.

7. Work Tools and Protective Equipment

All participants must bring and use their own work tools, table setup (e.g. boards, decoration) and personal protective equipment. This includes in particular a stab-resistant apron or stab-resistant shirt and, for boning, a chainmail glove with forearm protection.

8. Liability

8.1 The Organiser is liable without limitation for damages resulting from injury to life, body or health caused by a negligent or intentional breach of duty by the Organiser, its legal representatives or vicarious agents.

8.2 For other damages, the Organiser is liable without limitation in cases of intent and gross negligence. In cases of ordinary negligence, it is liable only for breach of essential contractual obligations, limited to the foreseeable damage typical for the contract.

8.3 Participation in the competition involves physical strain and the handling of sharp tools. The participant takes part at their own responsibility and must observe the safety requirements.

8.4 The participant shall indemnify the Organiser against third-party claims to the extent they are based on conduct for which the participant is responsible.

9. Responsibility After the Competition

Each participant is responsible for removing the products they have prepared from the stage after the competition and transporting them safely.

10. Amendments

The Organiser reserves the right to amend or supplement these GTC. Changes will be communicated to participants in good time in text form. They are deemed accepted if the participant does not object within two weeks of receipt; the Organiser will expressly point out this consequence when communicating the change.

11. Data Protection

Personal data is processed in connection with registration and the event in accordance with the Organiser's privacy policy on its website (information pursuant to Art. 13 GDPR).

12. Final Provisions

12.1 Amendments or supplements to these GTC require text form, unless a stricter form is legally required.

12.2 Should individual provisions of these GTC be or become invalid, the validity of the remaining provisions remains unaffected. The invalid provision is replaced by a provision that comes closest to the economic purpose of the invalid provision.

12.3 German law applies. To the extent legally permissible, the place of jurisdiction is the registered seat of the Organiser.
